

Make this your last SITA invoice...on paper.

Paperless invoicing – helping to save the environment for future generations.

Did you know that producing just **26 sheets of A4 paper** generates the **same greenhouse gas emissions** as driving your car 1km?

You can **make a difference** and help save the environment for future generations.

Sign your company up to paperless invoicing today.

Simply email pay2sita@sita.com.au or call 13 13 35.
